	Introd	1101	ions	-Introductions were made.	
	muou	ucı	10115	-Erin gave a brief explanation of the format for the	
				Provider Form. We will be meeting once a quarter.	
				The first hour (or less) will be spent on information	
				sharing, training and resource updates and	
				discussion. The second hour will be for new	
				contract orientation, contract questions, CASPER	
				Help claims entry/questions, and things of that	
				nature.	
	Approval	of .	Agenda	-Any additions?: None.	
				-Erin noted Centra Wellness Network's website	
				(http://www.centrawellness.org) has been updated.	
				She reviewed the Provider section and content. She	
				noted we are working on getting the CASPER log in	
				link on our webpage, as well.	
I	raining O	ppo	ortunities	-Erin noted that Improving MI Practices has	
				developed online (free) trainings for direct care professionals. They recently launched a series of	
				trainings for Direct Care Workers. This gives	
				provider agencies a resource for their Staff, and is	
				also a great resource for Independent Contractors.	
				This can be found at:	
				https://www.improvingmipractices.org/	
				-Michigan Developmental Disabilities Institute	
				(MDDI) offering free training for direct care	
l				professionals. (Wayne State University). They need	
				to have a group of 20 or more to come to our area.

	those, we will let Providers know. Erin sent this	
	information to Providers already, but if anyone	
	needs it again, please let her know.	
CHAMPS Registration	-Erin noted the 21st Century Cures act requires each	Once we have direction from
(Atypical Providers)	State to have a system for tracking Medicaid	the State, CWN will set up
Requirements	providers and doing monthly background checks on anyone providing services that are Medicaid funded. The State is requiring atypical (non-professional) providers be entered into their CHAMPS system. We are still awaiting direction from the State with	some clinics for independent provider's having any difficulty with CHAMPS enrollment.
	instructions for registering atypical. Once in effect, this will be required for payment.  -Monica noted that Spectrum participated in a pilot program enrolling their Staff. She noted it was a difficult task, and that they had about 1600 direct care employees registered taking 15-20 minutes per employee. She stated a response letter is sent out afterwards regarding the Provider eligibility status.  -Jo from the Autism Center of Northern Michigan noted they attempted to enter their Staff, but did not get far.	
Liability Insurance	-Erin wanted to be sure it is understood that Centra Wellness Network's liability insurance does not cover our Contract Providers. Contract Providers are liable for themselves, which is why we are encouraging everyone to obtain General or

				Professional Liability Insurance. Erin noted she has been getting feedback that it's been a challenge. If it creates a hardship for you in anyway, please call Erin to discuss it.  -John shared that he had a good experience purchasing his liability insurance through Ford Insurance agency. He stated he had to pay some up front, and was able to finance the rest over an 8 month period without a lot of interest involved.	
Direct Deposit				-Discussed Centra Wellness Network's transition to 100% EFT (electronic funds transfer). Erin noted that starting this year, all new Providers will be required to utilize Direct Deposit. Previously established Providers, will be encouraged to sign up, as well.  -John discussed his decision in becoming an LLC, and shared that information with the group. He also shared information on establishing a DBA.	
Ideas for Future Forum Meetings				-Discussion regarding future ideas for the Forum. Erin noted we could have training in specific areas that Providers are needing assistance withJo and Jon of the Autism Center requested open discussion with Case Managers regarding things such as coding, form changes, how to accept new clients/referrals, etc.
