Welcome & Sign-In	Introductions	
Agenda & Minutes	Reviewed Minutes, noted correction of Real Life Living Services & Approval Minutes	No Action.
Sophia Street Garden	Joy shared a photo and discussed the activity level that is awesome and the educational classes. Providers shared good stories related to gardening & education. A lot more fresh food is being used as a result of these efforts.	Staff provides assistance to consumers to ensure they are gardening and attending educational sessions...
Fresh Food Share Program	<p>First program offered in April. First few months were very good with over 40 participants. There is a little less activity probably due to people growing their own fresh gardens. Discussion of options for Bridge cards to be used with Fresh Food and at the Farmers Market. Double bucks for bridge cards at Farmers Market and can be used for one year.</p> <p>All providers report using more fresh vegetables in everyday meal planning.</p>	Everyone please encourage orders for the Fresh Food Program and help consumers to use fresh foods in cooking in the homes.. Also, use the Farmers Market to extend value and increase healthy choices for in-home cooking.
Trainings	.Joy discussed available trainings that are open to Staff and/or consumers. Mental Health First Aid, Chiropractic Care & HIPAA Privacy Regulation. Joy distributed fliers and shared Internet Calendar of Training Events.	Everyone please visit Internet CWN site to view events on calendar, contact Joy to register.
Health Update	Joy Shared a video on Seizures from the Epilepsy Foundation & materials for providing this training with a competency measurement and data checklist for in-home use.	All providers please use this seizure training as a health update as needed.
New Business	Providers: Real Life Living Services reports possible growth & development related to more placements. Deanna informs of enjoying location of residential services related River Walk, Farmer's Market etc. Spectrum reports increased placements possibly in Ludington, staffing being an issue in summer. Moore Living Connections is set up to provide CPR Training to their staff, with Angie McDonald as a trained instructor. Good discussion on the benefits of having this internal capacity.	No Action Required.
Next Meeting	November 14 <sup>th</sup> 1:00 PM	Joy sending notice, minutes, and agenda to all members.
