- ♥ **Mondays: Morning:** SMART Recovery is for anyone struggling with any type of addiction. Recovery from addictions is difficult, but it isn't impossible. The recovery process can be made easier by connecting with support groups that offer a safe, supportive, nonjudgmental environment. This is a science-based approach, **not** a 12-step program. Facilitated by Cassandra Kamaloski CHW, CPSS & Sabrina Ceresia CPSS.
- Afternoon:** Mind Over Matter Weight Loss Support Group: Let's get healthy together with our healthy weight management class/support group! What we eat, how much we move throughout the day, and the quality of our sleep can all impact our mental health. Let's embark on this journey as a team. Facilitated by Cassandra Kamaloski CHW, CPSS, Sabrina Ceresia CPSS, & Chelsey Kott CRSS.
- ♥ **Tuesdays: Morning:** SMART Recovery Family & Friends: Are you looking for resources to help you support someone struggling with addiction? Is someone else's addiction negatively affecting you? Perhaps you are seeking an alternative to tough love? We provide effective, easy to learn tools to help you and your loved one. Join us and meet others who have an understanding of what you're going through. Facilitated by Sabrina Ceresia CPSS.
- Afternoon:** LGBTQ+ Support Group: Join us in an open, safe and friendly environment to simply be yourself. It is a safe place for making connections, healing, processing and resources. Facilitated by Chelsey Kott CRSS.
- Afternoon:** Healing your Inner Child: Become your own loving parent. Developing your reparenting skills may change your life. Learn practical tools to help you reparent yourself with gentleness, humor, love, and respect. Facilitated by Kirstin Kavanagh.
- ♥ **Wednesdays:** The NAMI Family Support Group is a peer-led, free, and confidential support group designed for adults who have a loved one experiencing symptoms of a mental health condition. It provides a safe space for participants to share their experiences, gain hope, and build supportive relationships with others in similar situations. In this group, you can expect to learn from the experiences of others, discover your inner strength, and empower yourself. By participating, you will develop better coping skills, find a sense of community, and discover the strength that comes from sharing your experiences. The groups are led by family members of individuals with mental health conditions, ensuring that participants receive support from those who truly understand their challenges. Facilitated by Cassandra Kamaloski CHW, CPSS, Sabrina Ceresia CPSS, & Chelsey Kott CRSS.
